

## Supply List for Spring Special Session 2023

---

### Miranda Holmes, Intro to Acrylics and Color Mixing

#### **Required Materials:**

- C 3 sheets of 18x24" paper (this paper should be able to withstand acrylic paint. Bristol board or printmaking paper are good options. Canvas pads work too)
- 5 oz. tubes of acrylic paint: Cadmium red (medium), alizarin crimson, cadmium yellow, lemon yellow, phthalo blue (green shade), ultramarine blue, burnt umber, burnt sienna
- 8 oz. (or more) tube of titanium white acrylic paint
- 8 oz. bottle of matte medium
- Brushes (range of sizes and shapes; synthetic brushes work best)
- Palette knife (metal ones work best)
- Rags/paper towels (cut up old t-shirts, dish rags)
- Painter's tape
- Pencil Palette - disposal paper palette or use Freezer paper
- Large container for water (like a yogurt container)

#### **Optional Materials:**

- 5 oz. tubes of more paint colors: Dioxazine purple, viridian green, cadmium orange, cadmium green, yellow ochre
