

## Supply List for Summer Term 2024

---

### Megan Jerbic, Intro to Digital Art Procreate

#### **Required Materials:**

- An iPad that can run app Procreate
- Apple Pencil
- Procreate app (12.99 on app store)
- Pencil grip that fits your version of the apple pencil
- References that you would like to draw and some photos you would like to edit/collage (references can be printed or on your device, please bring digital photos for higher resolution purposes)

#### Optional:

- If you have a keyboard for your iPad, you may wish to bring it. Procreate has keyboard shortcuts.
- A “paper-like” screen protector that fits your iPad, such as this one (This probably won’t work on top of other screen protectors):
